# Printer Repair

At Fairtech Services we repair and service laser Jet Printers.

We offers a preventative maintenance program inhouse and on call.

1. Printer is unresponsive
2. Printer won't print
3. Bad print quality
4. Uncertain about printer security
5. My printer won't scan
6. Too many paper jams
7. Prints too slowly
8. Printing is too expensive
9. I can't print from my mobile device
10. Wi-Fi printing takes too long

An inkjet printer uses ink cartridges , while a laser printer uses a laser to print documents (toners).

You can visit the website [www.fairtechservices.com](http://www.fairtechservices.com) for more details and to book one of our service.
